Dear Mr. Dulles:

It is a pleasure to inform you that Mr. Robert Amory of your staff addressed the members of the Naval Reserve International Affairs Company 5-1 on the evening of January 20.

Mr. Amory gave an extremely interesting talk on "Current Trends in Soviet Policy". We were very much impressed by his thorough knowledge of the subject and by his presentation of the subject in succinct and stimulating terms.

Participation in the Naval Reserve Company is voluntary and its success depends greatly upon the generous assistance of speakers such as Mr. Amory. We are greatly indebted for the contribution which he has made to this year's program.

Sincerely yours,
